

Become a club member

You'll receive a ready-built coffin to style and decorate any way you like! You'll work alongside other club members - or help your friends and family if they need help. Volunteers (some who have already created their own coffin) are always on hand to provide guidance and assistance.

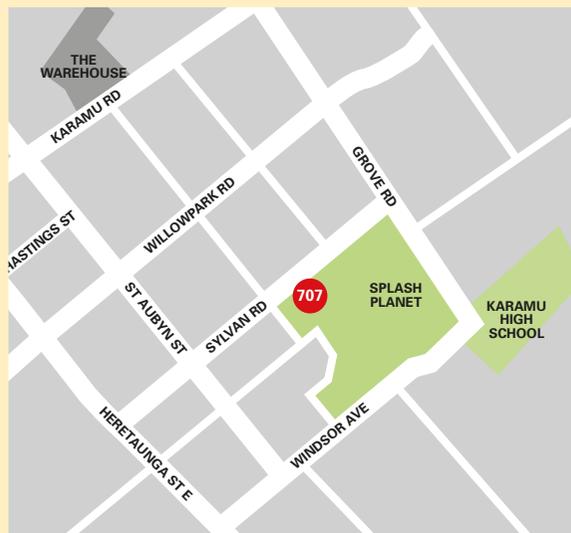

The club is proud and privileged to create baby coffins and donate them to grieving parents and families at Ata Rangi Maternity Unit, the General Ward and A&E, at Hawke's Bay Fallen Soldiers' Memorial Hospital in Hastings.

Call in for a visit

We meet every Tuesday and every 2nd Saturday from 9am to 12pm

707 Sylvan Road, Parkvale, Hastings
(formerly Hastings Netball Centre)

Contact us for more info.

A creative and empowering social club - it's intriguing!

Share a cuppa or two, a laugh, and stories and ideas.

It's fun and affordable. You'll save on funeral costs.

We have a diverse range of club members. Some join with an immediate need for a coffin, and some join for future preparation and planning ahead.

Preparing your own coffin can be fun and empowering. Club members personalise their final 'bedrooms' to tell their story, decorating them exactly how they (or their friends or whanau) wish. Come along and get inspired!

Members share a morning tea with a cuppa and a natter between friends.

At home, use your coffin for storage, a cupboard with shelving - even a wine rack or a table!

Join us at our clubrooms on Tuesdays from 9am-12pm, where it is a hive of activity.
